

HOMELAND SECURITY CONCENTRATION

It's no secret. We live in an increasingly dangerous world, and protecting the nation requires specially-trained professionals who are dedicated to tracking, intercepting and prosecuting would-be terrorists. Homeland Security professionals have emerged as an indispensable member of America's national security team, assuming the vital role of protecting citizens from terrorists and hostile nations. If you want to enter this rapidly growing field, consider ECPI University.

Through ECPI's year-round schedule, you could earn a Bachelor of Science Degree in Criminal Justice with a concentration in Homeland Security in as little as 2.5 years.

ECPI's program could provide graduates with the ability to:

- ▶ Understand the policies and procedures of the Department of Homeland Security
- ▶ Follow security and surveillance principles
- ▶ Assume the role of intelligence gathering in protecting the nation's critical infrastructures
- ▶ Apply knowledge of the legal issues surrounding Homeland Security
- ▶ Acquire knowledge of NIMS (National Incident Management System) and its application to Homeland Security

Outcomes

Upon successful completion of the program, graduates are able to:

- ▶ Apply ethical standards across professional and personal settings
- ▶ Evaluate the quality and sufficiency of evidence in the criminal justice process
- ▶ Analyze the impact of human behavior on crime
- ▶ Assess criminal justice issues using modern techniques including technology
- ▶ Apply the skills needed to manage crisis within various populations
- ▶ Evaluate emergency operations plans

Possible Career Track
