

 **CRIMINAL JUSTICE**

Looking for a career where you could make a real difference? Criminal Justice professionals certainly do and they work in a variety of settings involving investigations, security, law enforcement, forensic science, and technology.

If this sounds like the career you're looking for, consider ECPI University's Criminal Justice program. Through our year-round schedule, you could earn a Bachelor of Science Degree in Criminal Justice in as little as 2.5 years.

Outcomes

Upon successful completion of the program, graduates are able to:

- ▶ Apply ethical standards across professional and personal settings
- ▶ Evaluate the quality and sufficiency of evidence in the criminal justice process
- ▶ Analyze the impact of human behavior on crime
- ▶ Assess criminal justice issues using modern techniques including technology
- ▶ Apply the skills needed to manage crisis within various populations
- ▶ Evaluate emergency operations plans
