Written Quiz

- Each competitor will have 30 minutes to complete a written quiz. Questions will be based on sanitation and basic culinary techniques and skills.
- Please request a study guide from your CIV advisor.

Culinary Skills/Knife Skills/Poultry Fabrication

- Each competitor will have two (2) hours to complete the culinary skills demonstration portion of the competition.
- Each competitor will be provided the following list of ingredients to complete the culinary skills portion of the competition:
 1. 1 whole chicken
 2. 1 pt. of chicken stock
 3. 4 oz. butter
 4. 2 lbs. carrots
 5. 2 lbs. russet potatoes
 6. 1 orange
- Each competitor will produce the following to complete the knife skills and poultry fabrication portions of the competition:
 1. 1 fabricated chicken (8 pieces)
 2. 1 pt. of chicken velouté
 3. 12 pieces of brunise carrots
 4. 12 pieces of macedoine carrots
 5. 6 pieces of tourne' potatoes
 6. 1 orange cut into supremes.
- When a competitor is ready, their velouté, knife cuts, and fabrication will be evaluated. Competitors will then be allowed to set-up for preparation of their entrées.

Knife Skills Portion Rules

1. Competitors will produce the knife cuts listed below (with corresponding dimensions) for competition.
 - a. Brunoise: Very small dice. $1/8'' \times 1/8'' \times 1/8''$
 - b. Macedoine: (small dice) Cube shaped $1/4'' \times 1/4'' \times 1/4''$
 - c. Tourne: Football shaped, $3/4''$ diameter, 2'' long, seven equal sides and flat ended
 - d. Supremes
2. The finished cuts will be evaluated by the judges. These knife cuts may be incorporated into the student's final dish/presentation during meal production.

Poultry Fabrication Portion Rules

1. Each competitor will fabricate one (1) whole chicken into 8 pieces not including carcass: two (2) boneless breasts, two (2) boneless thighs, two (2) drumsticks, two (2) wings. Airline breast will be allowed as an optional cut.
2. Competitor may use part or all of the fabricated chicken in their presentation of entrée.
3. At the completion of fabrication, each competitor's chicken is to be displayed on their cutting board with all waste and the carcass. There is to be no combining of the waste or cuts until all judging of the fabrication is declared complete by the judges.
4. The fabricated chicken will be judged on skill and technique, not on level of difficulty.
5. Sanitation and safety will be observed and evaluated.

Presentation of Entrée

1. During the competition, the final presentation of entrée plates must be completed within a two (2) hour time period that includes plating. The competitor is considered done when both plates are removed from their workstation for evaluation. Competitors cannot pick up their plate and bring it back to the kitchen after the plate has been put on the display table for judging.
2. Each competitor will prepare the chicken for a main course with appropriate accompaniments (vegetable, starch, sauce and garnish). Two (2) identical plates will be presented, one (1) for tasting and one (1) for presentation. Judging will be based on the entrées:
 - a. Presentation (accuracy of cooking techniques and visual appearance)
 - b. Overall taste (seasoned and compatibility of components)
 - c. Balance (portion size of components, varying textures and flavor profiles)
3. Competitors will return to their station to complete station clean-up.

Judging Criteria

The judge's panel will consist of three (3) judges. Judging will be based on the following areas:

- Written exam score
- Kitchen sanitation and technical skills demonstrated by competitors
- Final presentation, flavor, and balance of plated entrée

Penalties

- Competitor leaves his or her station in an unsanitary manner.
- Competitor does not complete presentation of entrée within allotted time.
- Competitor does not produce two (2) identical plates.
- Competitor removes plate from display table.
