

## **Program Mission and Goals**

### **ECPI University Mission**

ECPI University provides a student-centered learning environment that promotes the enhancement of each student's professional and personal life through education.

### **Program Mission Statement**

The Physician Assistant Program will provide a challenging and innovative academic setting for students from diverse backgrounds to become physician assistants. Graduates will provide exceptional healthcare, promote health equity, commit to personal and professional growth, and lead in the communities they serve.

### **Program Goals**

1. Provide a challenging and innovative learning environment where students gain the knowledge and skills necessary for entry-level PA practice.
2. Prepare graduates to practice in various settings and with various healthcare professionals to reflect the versatility and team-based nature of the PA profession.
3. Attract a cohort of students who will promote diversity in the PA profession.
4. Prepare students who are committed to personal and professional growth.

The effectiveness of the Program in meeting its Goals will be published promptly after the graduation of the inaugural class in 2028.
