TUITION AND FEE SCHEDULE

TUITION, BOOKS, AND FEES

The following Tuition and Fee charges are per semester for the academic year; the tuition and fees are subject to annual review and ECPI reserves the right to make changes in tuition, fees, and curriculum. ECPI University's **Fixed Tuition Pledge** freezes tuition for the length of your program. ECPI University students who remain eligible for the Graduation Scholarship Fund (see *Catalog* for terms and conditions) will have their tuition rates locked in until they graduate at the rate upon enrollment. Program changes or additional programs will be subject to any tuition rate changes and then locked for that program. External benefits, such as those available through the Veterans Administration and employer reimbursement can be utilized in conjunction with the Fixed Tuition Pledge. The Fixed Tuition Pledge applies to the tuition charges and does not include the Learning Resource Fee.

UNDERGRADUATE						
Status	**Credits hours**	**Computer & Info. Science Electronics Engineering Surgical Technology**	**Medical Radiography Practical Nursing**	**Criminal Justice Dental Assisting Medical Assisting**	**Business**	**AAS Nursing**

Half-Time	(6-8 credits)	$3,788	$4,550	$3,263	$3,588	$5,063
Quarter-time	(1-5 credits)	$1,894	$2,275	$1,631	$1,794	$2,531

To complete the program requirements in a timely manner, students must carry a minimum load of 12 semester credit hours and a maximum of 18 semester credit hours per semester. This course load is considered full time. Students who take an academic overload consisting of more than two courses in a term may reduce their eligibility for financial aid assistance in future semesters, which may result in greater out-of-pocket expenses. There will be an additional charge in the semester that an overload is taken if the student takes more than 18 credits. Therefore, each student is responsible for checking with the Financial Aid office to determine the impact of schedule changes.

Overload tuition charge calculation: Semester cost / 18 = per credit cost x the number of credits over 18 credits.

Veterans and Active Duty
Students who are receiving benefits under the Veteran's Administration or Military Tuition Assistance programs are charged per credit hour. This is calculated by dividing the above Full Time tuition by 12 credits, and billed up to a maximum of 12 credits in a semester so to not exceed the maximum Full Time Semester charge. Students who attend a Semester at a less than Full Time rate are charged the Semester rate divided by the minimum number of credits applicable for that enrollment status [nine (9) for Three-Quarter time, six (6) for Half Time, three (3) for Quarter time]. The charge per credit amount is the same and will not exceed the maximum charge for that semester based on enrollment status with the exception that overload charges will apply as indicated above. Please see the VA/TA coordinator for assistance with these benefits.
